Presidential Message

Eric W. Ender, President

As the first President of the Wisconsin Lions Birch-Sturm Memorial Fund, Inc. (BSMF), it is my privilege to write the Presidential Message for the Fund's inaugural Annual Report. With that being said, I feel it's important to share some history about the creation of this organization...

For many years, the Wisconsin Lions Foundation's (WLF) auditing firms have recommended a separate entity (a 501(c)(3) organization) be formed with the money in their current Endowment Fund. In November, 2010, the Board of Directors started the legal process by signing an engagement letter with a Milwaukee Law Firm. As you can imagine, it took many hours of meetings and telephone conversations between representatives of the Foundation and the attorneys to come up with a viable plan; and on April 26, 2011, Articles of Incorporation for the Wisconsin Lions Birch-Sturm Memorial Fund, Inc. were filed with the State of Wisconsin Department of Financial Institutions.

During the next few months, we received our Employer Identification Number, along with the approval letter from the Internal Revenue Service that our tax status was declared a 501(c)(3) public charity.

The original Directors of the Corporation included Lions Tom Clausen (District 27-B1), Andrew Deinhammer (E2), Sue Doell (B2), David Hempel (A1), Eric Holthaus (D2), Glen Moegenburg (A2) and myself (D2). We met the first time via telephone conference in August, 2011, and chose Officers to serve on the Board. Lion Tom Clausen was elected Treasurer; Lion Dave Hempel was elected Secretary; Lion Glen Moegenburg was elected Vice President; and I was elected President. There have been some new faces on the Board since the inception of the new organization, but we continue to meet on a regular basis, keeping up to date on the activity of our investment portfolio and working on writing policies as recommended by the attorneys and our auditing firm.

In the near future, we hope to create a website for the BSMF. Some of the items we would like to make available to you, as Lions, Lioness and Leos, are the application form for a Birch-Sturm Fellow, as well as a list of all Birch-Sturm Fellows since the inception of the Program in 1990.

As we move forward, I want to assure all the Lions, Lioness and Leos in our State that the Board of Directors of the Birch-Sturm Memorial Fund are committed to being good stewards of the Fund. I want to thank all of you for your support of the Birch-Sturm Fellowship Program over the years and ask for your continued support well into the future.

Independent Auditor's Report

Board of Directors
Wisconsin Lions Birch Sturm Memorial Fund, Inc.
Rosholt, Wisconsin

We have audited the accompanying financial statements of Wisconsin Lions Birch-Sturm Memorial Fund, Inc. (Organization), which comprise the statement of financial position as of December 31, 2012, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Lions Birch-Sturm Memorial Fund, Inc. as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
