Presidential Message

John Mastalir, President

My, how time flies as we put this to paper. It seems only a short time ago, three and a half years, that I was asked to join the Birch-Sturm Memorial Fund Board of Directors. In 2015, I was elected President of the Birch-Sturm Memorial Fund Board and now the 2016 Lions year is coming to a quick close at the end of June and we will vote in our new President for the 2016-17 year.

If you have been following the financial activity this year, you know it's been a challenge, to say the least, for all Foundations to at least break even or to make small increases in their funds. The Board of Directors have been aware of this fact and they, along with our partners from Associated, have made what they feel are safe investments to protect and balance the fund for many years of growth, as well as make money on those investments.

As we look back over the history of the Birch-Sturm Fellowship Program, we see that you—individual Lions, Lioness and Leos, as well as Clubs of the Multiple District—have been great supporters of this Program and we thank you for that.

We average 103 Birch-Sturm Fellowships a year, with a low of 95 and a high of 118 per calendar year over the past five years. This support has allowed the Fund to keep building so if, or when, the Wisconsin Lions Foundation has a need for funds to run Lions Camp or the other statewide projects they administer for the Lions of Wisconsin, they will be able to count on the Birch-Sturm Memorial Fund for monetary assistance.

I encourage and ask that you as Lions, Lioness and Leos continue to support us and recognize those who are deserving in your area or clubs with a Birch-Sturm Fellowship.

I would like to thank Wisconsin Lions Foundation Executive Director, Evett Hartvig, for her assistance this year. Also thank you to Vice-President Jordan Chadwick, Secretary Eric Holthaus, Treasurer John Dickson, the Board of Directors and the Advisors from Associated for their advice and assistance during this year.

And thanks go out to the many Lions Clubs who asked for information about the Birch-Sturm Memorial Fund.

Lastly, the most thanks has to go to Lion Lynn who puts up with my trips for Lions, business and county government.

Independent Auditor's Report

Board of Directors
Wisconsin Lions Birch Sturm Memorial Fund, Inc.
Rosholt, Wisconsin

We have audited the accompanying financial statements of the Wisconsin Lions Birch-Sturm Memorial Fund, Inc. (Organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Lions Birch-Sturm Memorial Fund, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
